

# Economic Laws Practice promoted many in the firm

By [Legal Desire](#) - May 4, 2018

5 Associate Partners were promoted as Partners/Directors (salaried partner equivalent). In addition 4 counsels and 11 Senior Associates were promoted to Associate Partners. The law firm also promoted 14 Associate Managers as Senior Associates, whereas 5 Associate members were promoted to Associate Managers.

The Following Promotions are made:

“Our promotions are made with an eye on the future. As the firm grows, the leadership pool must expand and accommodate, potential owners of ELP. They reflect ELP’s culture and values and we will continuously expand this pool as it is our ambition to build a legacy firm which lasts well beyond the founders”, said Suhail Nathani, Managing Partner – Economic Laws Practice.

## About Economic Laws Practice

**ELP** is a leading full-service law firm based in Mumbai. The Firm was established in 2001 by eminent lawyers from diverse fields. **ELP** brings to the table a rather unique combination of professionals which comprise of not only the sharpest legal minds in India but also chartered accountants, cost accountants, economists and company secretaries; enabling us to offer a seamless cross-practice service experience and top-of-the-line expertise to our clients.

**ELP** has a unique positioning amongst law firms in India from the perspective of offering comprehensive litigation and advisory services across the entire spectrum of our offerings.
