PART - A

AMENDMENTS IN THE IBBI REGULATIONS

Insolvency and Bankruptcy Board of India (IBBI) amended the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016. This was carried out by way of a notification on February 15, 2024 by the Insolvency and Bankruptcy Board of India i.e. the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) (Amendment) Regulations, 2024 (Amendment Regulations).

Effective Date: The amended regulations are effective from February 15, 2024.

The amendments majorly deal with issues concerning CIRP of real estate projects such as enabling invitation of separate resolution plans for each real-estate project & maintain separate accounts for each of the projects. While the RERA mandates registration and monitoring of each project as a separate unit now under CIRP RPs are required to open separate bank accounts for each real estate project to ensure financial transparency and enable better monitoring by CoC. Amendments also require RP to convene a CoC meeting at least once in every thirty days and seek the CoC approval for all costs related to the insolvency resolution process. The amendments also require mandatory explanation of the valuation methodology to the members of the CoC and enables disclosure of value in the IM. The amendments also enable continuation of CIRP during pendency of application for extension of time.

Key Changes in the CIRP

- **Operating separate bank amendments account for each of estate projects:** To ensure financial transparency and accountability, the amendment makes it mandatory to have a separate bank account for each real estate project under a corporate debtor.
- **Monthly meetings of the committee of creditors (CoC):** IRP/RPs are now required to convene a CoC meeting at least once in every thirty days, with a provision to extend the interval between meetings to a maximum of one meeting per quarter, if CoC so decides.
- **Voting procedures:** Earlier a minimum period was prescribed for opening of the voting window with no upper limit. Now however the CoC has been empowered to decide the period of opening of the electronic voting window with a minimum of twenty-four hours and a maximum of seven days with further increments of twenty-four hours each.
 - In case the matters listed for voting have already received the requisite majority vote, the RP shall provide one last opportunity to vote by extending the voting window by a maximum period of twenty-four hours.
- **Approval of insolvency resolution process costs:** RP to seek approval from the CoC for all costs including going concern costs related to the insolvency resolution process.
- **Disclosure of valuation methodology:** The Amendment requires an explanation of the valuation methodology to the members of the CoC before the computation of estimates.
- **Disclosure of fair value in the information memorandum:** The Amendment provides that the fair value may be made part of the information memorandum (IM). However, the CoC, upon documenting its rationale, may opt to withhold specific information if it deems, in its considered opinion, that disclosing such information would not be advantageous to the resolution process.

- **Flexibility in inviting resolution plans in real-estate cases:** With a view that each project in a real estate case may need different treatment in terms of resolution, the amendment clarifies that after due examination, the CoC may direct the RP to invite a separate plan for each project.
- **Monitoring committee for implementation of resolution plan:** The amendment enables the CoC to decide on constituting a monitoring committee to oversee the implementation of the resolution plan.
 - The committee may include the RP, any other insolvency professional or any other person as its member.
 - The monthly fee payable to the RP in such a case, shall not exceed the monthly fee received by him during the corporate insolvency resolution process.
- **Continuation of the resolution process pending an extension application:** A clarification has been provided to ensure that the RP continues to discharge his responsibilities under the resolution process till an application for extension is being decided by the Adjudicating Authority.

PART - B

AMENDMENTS IN THE IBBI REGULATIONS

IBBI CIRCULAR No. IBBI/LIQ/68/2024 dated February 13, 2024 - Deposit and withdrawal of unclaimed dividends and / or undistributed proceeds in accordance with regulation 39 of the Insolvency and Bankruptcy Board of India (Voluntary Liquidation Process) Regulations, 2017.

Background: Regulation 39 of the Insolvency and Bankruptcy Board of India (Voluntary Liquidation Process) Regulations, 2017 provides a framework for the management of unclaimed deposits and undistributed proceeds during the voluntary liquidation process. As per the regulation, liquidators are mandated to deposit unclaimed / undistributed amounts into the Corporate Voluntary Liquidation Account and inform the Insolvency and Bankruptcy Board of India (IBBI / Board) in Form-G containing the details regarding the stakeholders entitled to such deposited amount.

Change: To facilitate the request received from a stakeholder, under regulation 39(7), who claims to be entitled to any amount deposited into the Corporate Voluntary Liquidation Account for withdrawal before the dissolution of the corporate person, the liquidator shall apply to the Board in the form as per Annexure to the circular, for the release of the amount for onward distribution to the stakeholders

IBBI CIRCULAR No. IBBI/II/66/2024 dated February 12, 2024 - Sharing of the Report prepared by the Resolution Professional under section 99 of the Insolvency and Bankruptcy Code, 2016 to both debtor and creditor.

Background: The resolution professional (RP) in an insolvency resolution process of a debtor under Chapter III of Part III of the Insolvency and Bankruptcy Code, 2016 (Code) examines the application filed under section 94 or 95 of the Code and submits a report to the Adjudicating Authority under sub-section (1) of section 99 of the Code, recommending for approval or rejection of the application. Sub-section (10) of section 99 mandates the RP to share a copy of this report to the debtor or the creditor.

Clarification as to sharing of the report by RP to debtor and creditors: It has been observed that in certain cases, the RPs have not shared a copy of the report with both debtor and creditor, leading to a lack of equal information access among them. Therefore, it is hereby advised that the RP shall provide a copy of the report to both debtor and creditor in all cases. This will ensure that the debtor and the creditor are well-informed about the evaluation and recommendations made by the RP, thereby promoting transparency and informed decision-making.

IBBI CIRCULAR No. IBBI/IP/65/2024 dated February 1, 2024 - Measures for facilitating efficient conduct of the processes by Insolvency Professionals Effective From : January 31, 2024

Clarifications on the insolvency professional entity (IPE) as regards engagement of accountants, legal or other professionals, their functions and payment of fee to such professionals.

Background:

- Section 208 of the Code read with the Insolvency and Bankruptcy Board of India (Insolvency Professionals) Regulations, 2016 (IP Regulations) mandates an IP to abide by the Code of Conduct.

- Clause 23A of Code of Conduct specified in First Schedule to IP Regulations provides a cooling off period of one year for the IP for seeking employment or rendering professional services to related stakeholders like CD, certain creditors, successful resolution applicant and their relatives, after closure of the assignment.
- Regulation 38 of IBBI (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 (CIRP Regulations) provides for mandatory contents of the resolution plan inter alia including its implementation schedule, management, and control of the business of the CD during its term and adequate means for supervising its implementation.

Clarification:

- Rendering of professional service in relation to implementation of resolution plan:
 - Clarification: IP may render professional service in relation to implementation of resolution plan approved by the AA, provided details of such service are mentioned in the resolution plan approved by the AA.
- Issue: Clause 25C of Code of Conduct specified in First Schedule to IP Regulations stipulates that an IP shall ensure that the IPE or the professional engaged by it raises bills or invoices in their own name towards their fees, and such fees shall be paid to them through banking channel-
 - Clarification: the bill or invoice raised in the name of the firm would be an adequate compliance of the regulation by the IP.
 - For the purposes of clause 25C of Code of Conduct specified in First Schedule to IP Regulations, the bill or invoice may be raised in the name of the IPE or the professional or the firm in which such professional is a partner.

IBBI CIRCULAR No. IBBI/IP/64/2024 dated February 1, 2024 - Measures for rationalisation of the regulatory framework of Insolvency Professional Entities in order to enhance the efficiency of the insolvency resolution processes.

Background: To leverage the paraphernalia of their resources and experience in the insolvency ecosystem by virtue of their constitutional structure, it was clarified by IBBI in September 2022, that the IPEs can be a company, limited liability partnership, registered partnership firm and were allowed to carry on the activities of an insolvency professional (IP).

- Clarification in relation to disciplinary proceedings in case of an IP which is an IPE: Sections 217 to 220 of Chapter VI of the Insolvency and Bankruptcy Code, 2016 (Code) read with the IBBI (Insolvency Professionals) Regulations, 2016 (IP Regulations), IBBI (Grievance and Complaint Handling Procedure) Regulations, 2017 and IBBI (Inspection and Investigation) Regulations, 2017 provide the process of grievance, complaints handling and disciplinary proceedings. The IP Regulations also provide for the continued eligibility requirements for recognition as an IPE, its liability and derecognition.
- Since, an IPE acting as IP would have multiple individuals as its partners or directors, a need is felt to clarify on the initiation of disciplinary proceedings in case of any contravention in relation to an assignment undertaken by an IP :
- Clarification: In case the assignment is undertaken by the IP, which is an IPE, the show-cause notice under regulation 11 of the IBBI (Inspection and Investigation) Regulations, 2017 shall be issued to (a) its partner or director, as the case may be, who is an IP and was authorised to sign and act on behalf of it for the respective

assignment; and/or (b) the IPE if in the opinion of the Board, there are either repeated instances of contravention against one or more partners or directors of the IPE or instance of systemic failure on the part of such IPE.

- Clarification on applicability of limit on number of Assignments to an IP which is an IPE
 - Issue: Clause 22 of Code of Conduct specified in First Schedule to IP Regulations imposes a restriction on the number of assignments that can be undertaken by an IP. This restriction has been envisaged for IPs who are individuals. With the introduction of provisions allowing IPE to act as IP, it is not considered prudent to apply any limit on the number of assignments that may be undertaken by such IPE at this nascent stage.
 - Clarification: Clause 22 of Code of Conduct specified in First Schedule to IP Regulations does not apply to an IP which is an IPE.
- Clarification on applicability of fee structure to an IP which is an IPE
 - Regulation 34B of IBBI (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 (CIRP Regulations) stipulates the minimum fixed fee structure and a performance-linked incentive fee for the IPs in a CIRP. This provision has been envisaged for IPs who are individuals.
 - Clarification: The regulation 34B of CIRP Regulations does not apply to an IP, which is an IPE.

CIRCULAR No. IBBI/II/62/2023 - December 21, 2023 - Clarification regarding submission of particulars and declaration by the insolvency professionals in the application filed by creditor(s) in Part IV of Form C of the IRP PGCD Rules.

Background: Section 95 of the Insolvency and Bankruptcy Code (Code) read with Rule 7 of the Insolvency and Bankruptcy (Application to Adjudicating Authority for Insolvency Resolution Process for Personal Guarantors to Corporate Debtors) Rules, 2019 (IRP PGCD Rules) allows the creditor to file an application for initiation of insolvency resolution process of personal guarantors to corporate debtors. The creditor may file the application either himself or jointly with other creditors or through a resolution professional (RP) in Form C of the IRP PGCD Rules. Where the application is filed through an RP, the particulars and declaration by such RP are provided in Part IV of the Form C of the IRP PGCD Rules. In such cases, the Adjudicating Authority (AA) after confirming that there is no pendency in respect of disciplinary proceedings against the RP from the database shared by the Insolvency and Bankruptcy Board of India, appoints the proposed RP by an Order under sub-section (5) of section 97 of the Code.

Clarification: In cases where the creditor itself file application and recommends the insolvency professional to be appointed as RP, in such cases, the insolvency professional proposed to be appointed as RP shall also provide the particulars of and declaration in Part IV of Form C of the IRP PGCD Rules to the creditor for the consideration of the AA.

CIRCULAR No. IBBI/LIQ/61/2023 dated September 28, 2023 - Clarification w.r.t. Liquidators' fee under clause (b) of sub-regulation (2) of Regulation 4 of IBBI (Liquidation Process) Regulations, 2016

Clarification: "Amount realised" shall mean amount realised from assets other than liquid assets such as cash and bank balance including term deposit, mutual fund, quoted share available on start of the process after exploring compromise and arrangement, if any.

Clarification: The "other liquidation cost" in regulation 4(2)(b) shall mean liquidation cost paid in priority under section 53(1)(a), after excluding the liquidator's fee.

Clarification: "Amount distributed to stakeholders" shall mean distributions made to the stakeholders, after deducting CIRP and liquidation cost.

Clarification: "Amount of Realisation /Distribution" shall mean cumulative value of amount realised/ distributed which is to be bifurcated in various slabs as per column 1 and thereafter the same is to be bifurcated into realisation/ distribution in various periods of time and then corresponding fee rate from the table is to be taken.

Clarification: Exclusion for purpose of fee calculation is to be allowed only when the same has been explicitly provided by the Hon'ble NCLT/ NCLAT or any other court of law and will operate only for the asset which could not have been realised during the excluded period.

Background: Sections 7(3) and 9(3)(d) of the Insolvency and Bankruptcy Code, 2016 (Code) mandates the creditor to attach with the application the record of default issued by the Information Utility. Further, the Board vide Notification No. IBBI/2022-23/GN/REG085, dated 14th June, 2022 inserted sub-regulation (1A) of the Regulation 20 in Insolvency and Bankruptcy Board of India (Information Utilities) Regulations, 2017 to mandate the Information Utility to process the financial information and issue the record of default to the creditor(s) so as to facilitate the creditors to attach the same with their insolvency applications under section 7 or 9 of the Code.

Clarification: NCLT has issued a general order dated 3rd April, 2023 advising all the applicants under sections 7 and 9 of the Code to comply with the above regulation and to produce the record of default issued by Information Utility for effecting hearing of their cases.

In exercise of the powers conferred under section 196 (1)(t) read with section 188 of the Code, IBBI has now advised as a matter of general guidance that the record of default issued by the information utility shall be appended with the application filed under section 7 or 9 of the Code.
